CODE OF ETHICS FOR VOLUNTEERS

As a volunteer, I realize that I am subject to a code of ethics similar to that which binds professionals in the field in which I work. I, like them, assume certain responsibilities and expect to account for what I do in terms of what is expected of me. I understand that any information that is disclosed to me while assisting Care Partners is confidential. I interpret "volunteer" to mean that I have agreed to work without compensation in money. Having been accepted as a volunteer worker, I expect to do my work according to the standards set forth in the Volunteer Policies and Procedures.
